SOCIETY

The *Journal of Research and Practice in Information Technology (JRPIT)* is a quarterly publication emphasising activities that have successfully connected fundamental and applied research in Information Technology with practical application. The Journal publishes papers relating to both emerging research and to professional practice and thus contains articles that are of interest to both practicing information technology professionals and to university and industry researchers.

Editor-In-Chief (and address for correspondence):

Professor John Yearwood
Editor-in-Chief
Journal of Research and Practice in Information Technology
Graduate School of Information Technology and Mathematical Sciences
University of Ballarat
P.O. Box 663, Ballarat, Vic 3353, AUSTRALIA
Email: jrpit@ballarat.edu.au
URL: <http://www.ballarat.edu.au/ard/itms/staff/jyearwood.shtml>

Associate Editors

Associate Professor Yi-Ping Phoebe Chen
Deakin University

Dr Rodney J. Clarke, Docent
University of Wollongong

Professor Joan Cooper
University of New South Wales

Associate Professor Hossam Elgindy
University of New South Wales (UNSW)

Professor Vladimir Estivill-Castro
Griffith University

Professor Colin Fidge
Queensland University of Technology

Professor John Hosking
University of Auckland

Associate Professor Chiou-Peng Lam
Edith Cowan University

Professor Clement Leung
Hong Kong Baptist University

Professor Graham Low
University of New South Wales

Professor Martin Purvis
University of Otago

Professor Zoran Salcic
University of Auckland

Associate Professor Tele Tan
Curtin University

Professor Chengqi Zhang
University of Technology, Sydney

Professor Didar Zowghi
University of Technology, Sydney

Office Bearers

A. Wong, President

J. Hartnett, Vice President (Academics Boards)

J. Ellis, Vice President (Community Boards)

B. Aynsley, Vice President (Membership Boards)

K. Parakala, Immediate Past President

N. Tate, Treasurer

B. Lakin, Chief Executive Officer

J. Burton, National Congressional Representative

Y. Ramasundara, National Congressional Representative

I. Wells, National Congressional Representative

P. Wilson, National Congressional Representative

PO Box Q534, QVB Post Office, Sydney, NSW 1230, Australia

Telephone: (02) 9299 3666

Facsimile: (02) 9299 3997

Email: itprofessional@acs.org.au

URL: www.acs.org.au

Submission Guidelines

The Journal encourages submission of innovative and original articles in all areas of Information Technology including Computer Science, Software Engineering, Information Systems, Computer Systems and Information Engineering and Telecommunications.

The following forms of article are published:

- Full articles examining original research and/or application;
- Short articles describing original research and/or application or commenting on relevant legal, political or technical innovations;
- Survey or tutorial articles describing new directions in Information Technology or which are relevant to the practical application of fundamental research; and
- Book Reviews.

Information for authors can be found at the Journal home page: www.jrpit.acs.org.au

Subscription Guidelines

The annual subscription for the Journal is

Individuals

Australian Computer Society members	Free
Delivery in Australia (including postage)	A\$68.00
Delivery Overseas (including postage)	US\$56.00

Institutions

Australia (including postage)	A\$102.00
Overseas (including postage)	US\$84.00

All subscriptions to the Journal are payable in advance and should be sent (in Australian Currency) to the address below.

Advertising Information

The Journal accepts advertisements in the following categories:

- IT-related career opportunities
- IT-oriented training and education courses;
- IT-related conferences and workshops.

Rates are as follows:

Full Page	\$1,500
Half Page	\$750
Quarter Page	\$375
By line	\$100 for heading plus up to six lines of text (40 characters per line). \$50 for each additional three lines, or part thereof.

Full details can be found at the Journal home page: www.jrpit.acs.org.au

Bibliographic Information

Journal of Research and Practice in Information Technology – *J.Res.Prac.Inf.Tech.*
formerly the Australian Computer Journal (ISSN 004-8917)

ISSN	1443-458X
Circulation	1,200
Publisher	Australian Computer Society Inc. PO Box Q534, QVB Post Office Sydney 1230, New South Wales AUSTRALIA
Production	Associated Business Publications Pty Ltd
Management	47 Picnic Parade, Ettalong Beach, NSW 2257, Australia
Printer	Pegasus Print Group Blacktown, NSW 2148, Australia

Contents

- 5** Adaptation of Process Models – A Semantic-based Approach
Thomas Eisenbarth, Florian Lautenbacher
and Bernhard Bauer
- 25** An Ontological Model for Component Collaboration
Jens Dietrich
- 41** Document Logic: Risk Analysis of Business Processes through Document Authenticity
Shusaku Iida, Grit Denker
and Carolyn Talcott
- 65** Generation and Evaluation of Business Continuity Processes using Algebraic Graph Transformation and the *mCRL2* Process Algebra
Christoph Brandt, Frank Hermann
and Jan Friso Groote

Special Features

- 1** Guest Editorial: Dynamic and Declarative Business Processes (DDBP), and Vocabularies, Ontologies and Rules in the Enterprise (VORTE)
Dragan Gašević, Georg Grossmann
and Sylvain Hallé
